Subject: Overview Oil Sampling Assessment

UC, the 11:00 logistics and sampling meeting has occurred here at the ICP. Recent comments from Santa Barbara County have been taken into account and we have incorporated their suggestions into the plan.

Attached is the final version of the Overview Oil Sampling Assessment. As soon as you are able, please read through and **reply back with your approval** so we can make arrangements (vehicles, contact list, meeting locations, etc.) with the necessary and interested parties.

Thanks, Tom
